SIR,

Revision of the Muzrai Quit Rent Registers.

Adverting to correspondence ending with G.O.No.316-7/Muz.120-29-9 dated 13/24th August 1932 re. the above, I have the honor to state that manuscript registers of all the taluks as outlined in this office letter of the 16th April 1932 were compiled in this office and verified with the original records of the office of the Land Records in Mysore. These verified registers were sent to the taluks for final verification with the entries in kaetwar and other village accounts and a certification of accuracy and correctness by the Amildar. These registers have now been returned for the most part and the Amildars who have not returned them are being reminded. Each taluk has made two copies of the final register, one for its own use and the other for the Deputy Commissioner's Office and has returned the original to this office, noting the additions and corrections to be made. In some cases, the corrections are too numerous and in others, there have been innumerable additions, rendering the registers un-intelligible and clumsy. These registers which have been compiled after devoting considerable time and labour and which are of the nature of permanent record furnishing full and up-to-date information about the land endowments of Muzrai Institutions, deserve to be neatly written up and carefully preserved. As the strength of the Audit Section has been reduced and as the regular establishment of the office is already burdened with heavy work, neither of these can undertake this extra work and complete it expeditiously.

... copies of each Taluk Register have at least to be prep... one for the Secretariat, one for the Office of the Land Records and the remaining one for this office and they have to be neatly and securely bound with interleaving to admit of future corrections.

2. The sanction conveyed in G.O.No.1701-02/Muz.120-29-7 dated 12/16th May 1929 for the entertainment of two additional hands on Rs.30 each as temporary for a period of six months to attend to the normal work of the Auditors is not availed of, as the entire work in connection with the compilation and verification of the register will be done by the Auditors and other members of the regular establishment. In view of the importance of the work and of the necessity of a part of the enhanced copies of each register, I request the sanction of Government to entertain two temporary hands for a period of six months, to be renewed, the charges being debited to the Land Improvement Fund.

3. I request, further, that the Superintendent of the Government Central Press may be directed to supply the required number of copies of the Taluk Registers as they will have to be printed up in a manner that these registers may be neatly and securely bound with interleaving.

... is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Settlement Commissioner.
